4 STAR HOTEL

ART HOTEL CORONA D'ORO

Bologna Art Hotel Corona d Oro ** - "A window over the Two Towers"**

Situated a few steps from the two Towers, it was the residence of the noble family Azzoguidi in the Fifteenth Century and of that period it maintains many architectural elements, such as the wooden

portico in the inner courtyard, the recessed block panel ceilings in some rooms and in a meeting room and paintings of coat-of-arms and landscapes. The hall and the staircase are exquisitely done in Art Nouveau style, with coloured stuccos and columns which reflect the merry atmosphere of that period

Room rates from:

Single Room	Single Occupancy	Euro 143.00
Double Room	Single Occupancy	Euro 168.00
Double Room	Double Occupancy	Euro 189.00
Double Deluxe	Double Occupancy	Euro 208.00

All costs quoted are based on rates available at time of booking and may vary according to availability and room type.
